Stonebrae Elementary PTA Special Meeting

Wednesday, October 23, 2019 5:30pm – 6:30pm

Stonebrae Elementary School – MPR

President's Summary of 10/23/19 PTA General Association Meeting

Dear Stonebrae PTA Families and Supporters,

I want to first thank all parents and guardians that joined us for the PTA special meeting on Wednesday, October 23, 2019. I was very happy to see new and familiar faces. If you weren't able to attend, we covered information specific to the budget which was carried over from our first general meeting. Principal Matteis congratulated everyone on a successful Husky Trot Fundraiser.

Allan Garde, Assistant Superintendent of Business Services, from the Hayward Unified School District (HUSD) was in attendance and provided a presentation on the donation policy for HUSD schools, including Stonebrae. The presentation also covered the established process of distributing PTA funds through the district for tracking and accounting purposes, highlighting the supportive relationships between the separate entities; HUSD, Stonebrae, and the PTA. During the presentation Allan outlined the Business Services department and the various support they can provide.

In addition, a revised budget was reviewed, modified, and adopted.

Approved minutes are available to current PTA members upon request. (NOTE: Minutes are not approved until the following general meeting).

Please email: Stonebraepres@gmail.com

Hope to see you at the next event, meeting, or on the yard!

Sincerely,

Shaquisha Odusoga

President
